## I've Been Taking 48 Tablets Daily For The Past 22 Years – Daddy Lumba

By Kasapafmonline.com/Ghana

[Previous](#) | [Next](#)

"For the past 22 years, I have been swallowing 48 tablets daily. I visited Glorious Wave Church International at Sakumono last week Sunday and Prophet Kobi prophesied about my ill health. He asked me to come to church with all my medications.

"The next Sunday morning, the man of God prayed for me and asked my Personal Assistant, Roman Father, to set the medications ablaze.

"I have met Prophet Kobi, the man of God for my life and forever will I follow him."

Lumba is sick just look at the colour of his face. He said he takes 48 tablets not 22. Hiv treatment is not up to 48 tablets. It could be cancer it true

22 tablets for what condition. What sense does this make. These are the utterances that makes ignorant and vulnerable people follow suit blindly to the detriment of their health & lives.

How old are you Dacosta? You sound like a 13 year old wiriting. Do you have to judge him as if you are the right hand man of God? Such hypocrisy gets on my nerves. Clean your own bathroom before you start talking about someone's living room. Low Mind.

48 capsules? What is the health problem with you? Could you list all the capsules, some of the readers are health care delivery and management experts. they can help: If it's true you are taking 48 tablets, then it means you have suffered for a long time, could you please say what is your health challenge? And please do not stop your medication until a qualified health officer certifies you cured.
